# General Information Ski Pass Rates 2015/2016

#### **General Terms**

All ski passes are valid within the entire Obergurgl-Hochgurgl ski area. Ski pass holders dressed in winter sportswear can use ski buses and public lines for free. Purchasing the pass, you accept the general terms and conditions on rates and transportation. Ski passes are available as hands-free key cards (put it in your left pocket). No refund in case of loss! Daily operating times from 9:00 am to 4.00 pm

#### **Reduced Ski Passes**

Children born 2007 or later and persons over 80 years free of charge; child rates for kids born 2001 - 2006; youth rates 1998 - 2000; senior rates for skiers born in or before 1955. Disabled persons: senior rates apply with a minimum of 60 % reduction in earning ability. Discounted lift tickets are only issued on presentation of a valid photo ID!

#### **Ski Pass Selling Points**

The ski pass offices (Hohe Mut Bahn, Festkoglbahn, Hochgurglbahn, Große Karbahn, Kirchenkarbahn) are open daily from 08:30 am to 4:00 pm. Further ski pass selling points can be found in selected hotels and sports shops in Obergurgl-Hochgurgl, Sölden and Längenfeld. The key card deposit for one-day and multi-day ski passes is € 3.00. Ski passes can be returned at the end of your holiday at the ski pass offices or in several hotels and sports shops. In case of overlapping season times a mixed rate is calculated automatically. Ski passes for 6 or more days can be prolonged once for 1 day at a special price within their validity period. Our ski pass offices accept cash payment, Maestro debit cards and credit cards (MasterCard, Visa).

#### Refund

Only in case of a ski accident and if the ski pass is immediately handed in at the ski pass office you receive a refund for the returned ski pass on presentation of a medical certificate issued by a local doctor (can be handed in later). Only multi-day ski passes can be refunded. They must be returned at the main ski pass offices. We strongly recommend a travel cancellation insurance also for all accompanying travelers. Ski passes are not refunded or extended in case of inclement weather conditions, avalanche hazard, unforeseen departure, illness, discontinued lift operation, closed ski runs or ski lifts.

#### **Control and Misuse**

Besides automated access systems, the validity of ski passes is also checked by our lift staff. Ski passes are not transferable. Any misuse of ski passes will be prosecuted and reported to the responsible authorities

## DID YOU KNOW THAT ...

- every day some 18 snow-grooming machines take care of the slopes in order to guarantee superb skiing.
- we are allowed to groom the ski slopes only out of lift operating times (9:00 am - 4:00 pm).
- one snow-grooming machine costs about € 400.000
- we can produce some 5,000 m<sup>3</sup> of snow per hour, but only during certain months.
- our mountain lifts can transport over 40,000 persons per hour.
- the Lift Companies of Obergurgl and Hochgurgl have never distributed profit among their associates and they don't even plan to do so in future as the earnings will be reinvested in improvements of the ski area.

our employees are cleaning up the entire ski area after the end of the winter season for entire weeks. A considerable number of ski poles, sports equipment, cigarette stubs and rubbish is removed every year. Please keep your environment clean

 1 m<sup>3</sup> of snow amounts to approx. € 3, in one season we produce about 1,000,000 m<sup>3</sup>
